

ALAMOSA TRUST STREETS FUND

Ballot Measure **2A** - Decoding the Ballot this November

Actual Ballot Language:

- “SHALL CITY OF ALAMOSA TAXES BE INCREASED BY \$2,500,000 IN THE FIRST FISCAL YEAR, BEGINNING JANUARY 1 2030...”
- “...BY CONTINUING THE CURRENT ONE-HALF PERCENT (ONE-HALF CENT PER DOLLAR SPENT) SALES AND USE TAX WHICH IS SET TO EXPIRE ON DECEMBER 31, 2029”
- “...TO BE USED SOLEY TO FUND STREET MAINTENANCE AND IMPROVEMENTS FOR THOSE STREETS ITENTIFIED IN RESOLUTION 7-2026 AND FOR NO OTHER PURPOSE”

What it Means:

- This is NOT a new tax. It simply allows the City to keep collecting the existing sales tax that is already in place.
- Pennies on the dollar. Example, you pay just 5¢ on a \$10 purchase. Vistors and tourists also help pay for our streets.
- 100% of the money collected goes into a protected fund strictly for the street repair list as identified and locked in by Resolution 7-2026.

SAME RATE. PROTECTED FUNDS. FIXED STREETS.
